## V. FAMILY WORK HOURS

- A. Our club is an all volunteer organization; therefore, during each season, families will be required to fulfill at least 9 hours for each player registered on a Rapids Kickers team. These 9 hours will consist of both non-tournament and tournament volunteer work.
  - 1. A minimum of five hours of non-tournament volunteer work per each registered player must be fulfilled during the season starting on August 1st and ending July 31st. Families with more than 3 registered players will only be required to work 15 hours of non-tournament work during this period.
  - 2. A minimum of four hours of tournament volunteer work per each registered player must be fulfilled during the weekend of the tournament. Families with more than 3 registered players will only be required to work 12 hours the weekend of the tournament. Families that are unable to fulfill their required hours the weekend of the tournament must contact the volunteer coordinator prior to the tournament weekend for alternative work options.
  - 3. Family work hours (tournament and non-tournament) will be tracked by the Volunteer Coordinator. The Volunteer Coordinator and the Tournament Coordinator(s) will determine what volunteer work qualifies for the tournament and non-tournament hours.
  - 4. Families who do not fulfill their volunteer work requirements during the season will be assessed a fee of \$15.00 per hour not served, and will be required to pay this assessment prior to registering a player for the next season.
  - 5. Coaches and Assistant Coaches fulfill their tournament and non-tournament family work hours as a function of performing their coaching services throughout the season and at tournaments.
